

WORLD CLASS SCHOOLS LAUNCHES NEW WEBSITE & ENEWS

As our teachers and students return from Spring Break and enter into the last grading period of the school year, we hope that you will continue to support World Class Schools in our strategic focus to strengthen the partnership between our local businesses and the Leon County Schools system. Over the last quarter we've been busy creating connections for skilled workforce, engaging local leaders and giving citizens the opportunity to participate in the Foundation for Leon County School's "Principal for a Day" program. Through partnerships like these we can help to continue propelling students and equipping them with the skills they will need excel at the next level.

2019 LEON WORKS EXPO CONNECTS LOCAL STUDENTS TO SKILLED WORKFORCE EMPLOYERS

The 2019 Leon Works Expo on March 8 hosted almost 600 students from Leon, Gadsden and Wakulla County schools. 130 exhibitors met with the students to encourage them in the next phase of their life's journey in their future career goals. Exhibitors showcased careers and industries that need people to select as their path of work.

This is the first year the expo has gone regional, attracting students from across the Big Bend. It comes as the region, along with the rest of the state, begins to feel the shortages in trade industries--from construction to nursing.
